

2nd Annual Funds & Food Fundraiser
To Benefit The Chicopee Boys & Girls Club
and The South End Community Center

Dave's Truck Repair, Inc. and **Genden Auto Parts** both of Springfield, MA, will be partnering again this 2008 Holiday Season for the "2nd Annual Funds & Food" Charity. All proceeds (both funds & food) are to be equally distributed between two (2) needy and worthy beneficiaries: Chicopee Boys and Girls Club and The South End Community Center.

Dave's Truck Repair, Inc., located at 1023 Page Blvd. in Springfield, MA has been in business for almost 21 years and is a major area supplier of truck, trailer, bus and RV repair & alignment services, sales and parts. "Our slogan is 'Keeping Your Vehicles On The Road' and we pride ourselves on doing just that" says Dave Proulx, Owner and President of Dave's Truck Repair, Inc. "There is no job too small or too large for our team of experts and we will take all the extra steps necessary to ensure that our services meet or exceed our Customers' expectations."

Last year, Dave came up with the idea of "giving something back to the community" and even though we started late, we raised a total of approximately \$2,500 in funds & food, so with the Holiday Season being such a time of need, we decided to make this an Annual event. This year, we decided to target two (2) Customer organizations to be the beneficiary of this contribution. We hope to raise funds by: **Dave's Truck Repair, Inc.** donating \$1000 (\$500 each) to the two (2) charities, **Genden Auto Parts** donating \$1000 (\$500 each) to the two (2) charities and also by requesting monetary donations and non-perishable food items from our many suppliers, customers and anyone else who would like to come to our Page Blvd. facility to make a donation. We also have our new "Funds Bowl" out for our many Customers to leave their change when paying their bill. We hope that the 2nd Annual Funds & Food event will be even more successful than last year.

Genden Auto Parts, one of Dave's Truck Repair's major suppliers, is located at 620 Page Blvd. also in Springfield, MA. Genden's is a "CarQuest" franchise and is a major

area supplier of auto & truck parts. “Genden’s was established back in 1955 and has been family owned and operated by the Lamoureux family since 1985”, says John Lamoureux, one of Genden’s owners. “When Dave came to us last year with this gift giving idea, it was really a ‘no brainer’”, John continues. They will also help spread the word within their customer base in the hopes of “widening the circle of love”.

To learn more about the “2nd Annual Funds & Food” fundraiser or how to participate, please contact Ron Proulx by phone: 413-734-8898, by Email: rondavestruck@comcast.net, or click the “Funds & Food” Link on the home page of our website: www.davestruckrepairinc.com.

About the Beneficiaries:

- Boys and Girls Club of Chicopee – 508 Meadow St., Chicopee, MA
The Boys & Girls Club of Chicopee is and has always been committed to the physical, educational, emotional, social, recreational and vocational development of youth, especially those with the greatest needs, without discrimination. Boys & Girls Club programs and services promote and enhance the development of boys and girls by instilling in them a sense of competence, usefulness, belonging, and influence. They serve more than 4,000 youth each year. In addition to its main Club at 580 Meadow Street, the Club operates five other satellite sites: it’s Teen Center at Senecal Housing, its computer lab at Chicopee Village Townhomes and it’s after school program at Barry School.
- The South End Community Center – 29 Howard St., Springfield MA
The majority of youths that S.E.C.C. serves are of low socio-economic status and their intent is to expose these children to resources otherwise not available to them. In the spirit of Youth Development, S.E.C.C. continues to offer these aspects through their After School Program, boxing, basketball clinics, computer lab, summer camp and other recreational programs, all incorporated with an educational component. The S.E.C.C.’s goal is to provide a safe outlet for the children and youth of Springfield’s South End.
